I'm Mike, collaboratively developing ideas excites me and creating appropriate solutions fascinates me. A big believer that design, creativity and imagination can contribute to making the world healthier, more inclusive and sustainable.

Experience

Independent designer

FULL TIME: 12/2019 - NOW

Collaborating with professionals, startups and businesses in; health, finance, investment, education, sport and retail. Helping people define, design and communicate ideas— combining product, identity and experience design.

Freelancing in agencies and embedding into in-house design teams, for companies like Monzo, Esterson Associates, Entourage and Relish. Working on identity, communication and experience briefs, and consulting on business offering, brand and product strategies.

CREW

PART TIME: 08/2020 - 06/2021

Defining the visual direction and developing unique ideas and experiences for a new sports fan-focussed messenger. Creating an identity to work seamlessly across product and communications and designing the app interface for handoff. Also helping forge the brand and product strategy.

Superunion

FULL TIME: 06/2019 - 12/2019

Designing idea driven identities, creating campaigns and illustrating ideas for major brands. Focussing on ideas that champion a brand's strategy, amplify its narrative and enable it to evolve. Working on projects for O2, Shelter, Nespresso, BBC and WPP.

Pearlfisher

FULL TIME: 09/2018 - 12/2018

Designing identities, packaging prototypes and creating campaigns for both existing and emerging companies in food, health and beauty. Working on projects for Wagamamas, OTO, Nivea, and No7.

Plane Industries

FULL TIME: 10/2017 - 02/2018

Designing, prototyping and manufacturing furniture and statement pieces up-cycled from retired aeroplane parts. Developing and expressing the identity to improve graphic communication.
